Release Date: Tuesday July 15, 2025

JUNE 2025

The All Jamaica Consumer Price Index (CPI) declined by 0.3 per cent for June 2025. The main contributor was a 1.5 per cent decrease in the index of the **'Housing, Water, Electricity, Gas and Other Fuels'** division, primarily due to lower electricity rates. Additionally, there was a 0.3 per cent fall in the index of the **'Food and Non-Alcoholic Beverages'** division mainly attributable to a 4.9 per cent fall in the index of the *'Fruits and nuts'* class and a 0.8 per cent decrease in the index of the *'Vegetables, tubers, plantains, cooking bananas and pulses'* class. These declines were influenced by lower prices for agricultural produce such as ripe banana, pineapple, sweet potato, pumpkin, and tomato. Tempering these divisional decreases was a 1.4 per cent increase in the index of the **'Furnishings, Household Equipment and Routine Household Maintenance'** division. This was largely due to an approximately 6.7 per cent increase in the National Minimum Wage, effective June 1, 2025.

The point-to-point inflation rate as at June 2025 was 3.8 per cent.

CPI Point-to-Point, June 2024 - June 2025

As at June 2025, the point-to-point inflation rate for the All Jamaica, All Items CPI was 3.8 per cent. This inflation rate was mainly attributed to increases in the index for the divisions, **‘Food and Non-Alcoholic Beverages’**, **‘Housing, Water, Electricity, Gas and Other Fuels’** and **‘Restaurants and Accommodations Services’**.

The index for **‘Food and Non-Alcoholic Beverages’** rose by 4.7 per cent. Higher prices for items within the classes, *‘Meat and other parts of slaughtered land animals’* and *‘Fruits and nuts’* were the chief contributors. There was a 5.7 per cent increase in the index for class *‘Meat and other parts of slaughtered land animals’*. This was largely the result of increased prices for chicken mixed parts, whole chicken, chicken frankfurters and turkey neck. The index for *‘Fruits and nuts’* went up by 14.1 per cent which was impacted by increased prices for ripe banana, orange, watermelon and dried coconut.

The index for the division **‘Housing, Water, Electricity, Gas and Other Fuels’** increased by 4.6 per cent, mainly due to the 7.0 per cent rise in the index for the group *‘Imputed Rentals for Housing’*. Additionally, there was a 4.6 per cent increase in the index of the *‘Water Supply and Miscellaneous Services Relating to the Dwelling’* group resulting from higher water supply and sewage rates.

There was a 6.1 per cent increase in the index for the **‘Restaurants and Accommodation Services’** division, primarily driven by a similar 6.1 per cent increase in the index for the *‘Food and Beverage Serving Services’* group. This was mainly due to increased prices for food sold by fast food restaurants and cookshops.

All Jamaica, Point-to-Point Inflation Rate, June 2023 – June 2025

CPI Divisional Monthly Movements, June 2025

FOOD AND NON-ALCOHOLIC BEVERAGES

-0.3%

The index for the division **'Food and Non-Alcoholic Beverages'** fell by 0.3 per cent for June 2025. Contrasting movements were observed for the groups within this division, with the index of the 'Food' group declining by 0.3 per cent, while the index of the 'Non-Alcoholic Beverages' group increased by 0.3 per cent. The movement in the 'Food' group was primarily due to a 4.9 per cent fall in the index of the class *'Fruits and nuts'* and a 0.8 per cent decrease in the index of the class *'Vegetables, tubers, plantains, cooking bananas and pulses'*. These decreases were influenced by lower prices for agricultural produce such as ripe banana, pineapple, sweet potato, pumpkin, and tomato. The decrease in the index of the group was, however, moderated by increases in the index for most of the other classes, notably, *'Meat and other parts of slaughtered land animals'* (0.5%) and *'Cereal and cereal products'* (0.3%).

For the group 'Non-Alcoholic Beverages', the index for all three classes increased: *'Water, Soft drinks and Other non-alcoholic beverages'* (0.3%), *'Fruit and vegetable juices'* (0.2%) and *'Coffee, Tea, Cocoa'* (0.2%).

The point-to-point inflation rate for the division was 4.7 per cent.

ALCOHOLIC BEVERAGES, TOBACCO AND NARCOTICS

+0.2%

There was an increase of 0.2 per cent in the index of the **'Alcoholic Beverages, Tobacco and Narcotics'** division. This was impacted by a 0.3 per cent increase in the index of the group 'Alcoholic Beverages'. The main contributor was the class *'Beer'* with an increase in its index of 0.4 per cent, followed by the classes, *'Spirits and liquors'* and *'Wine'* each recorded a 0.2 per cent increase in their index.

The point-to-point inflation rate for the division was 4.3 per cent.

CLOTHING AND FOOTWEAR

+0.3%

The index for the division **'Clothing and Footwear'** moved upwards by 0.3 per cent. The main contributor was the 'Clothing' group with a 0.4 per cent increase in its index, while the 'Footwear' group increased by 0.2 per cent.

The point-to-point inflation rate for the division was 3.3 per cent.

HOUSING, WATER, ELECTRICITY, GAS AND OTHER FUELS

-1.5%

The index for **'Housing, Water, Electricity, Gas and Other Fuels'** fell by 1.5 per cent. This resulted primarily from a reduction in the General Consumption Tax (GCT) on electricity charges for residential customers, which led to a 3.5 per cent fall in the index of the group **'Electricity, Gas and Other Fuels'**. There was also a fall of 1.0 per cent in the index of the group **'Water Supply and Miscellaneous Services Relating to the Dwelling'** as a result of lower water and sewage rates. Tempering these increases was a 1.5 per cent increase in the index of the **'Actual Rentals For Housing'** group, due to increased household rental rates.

The point-to-point inflation rate for the division was 4.6 per cent.

FURNISHINGS, HOUSEHOLD EQUIPMENT AND ROUTINE HOUSEHOLD MAINTENANCE

+1.4%

The index for the **'Furnishings, Household Equipment and Routine Household Maintenance'** division rose by 1.4 per cent. The main contributor was the group **'Goods and Services for Routine Household Maintenance'** with a 1.8 per cent increase in its index. This was influenced mainly by an increase in the National Minimum Wage effective June 1, 2025. All other groups had increases in their index, notably **'Household Appliances'** (0.3%) and **'Furniture, Furnishings and Loose Carpets'** (0.3%).

The point-to-point rate was 3.4 per cent.

HEALTH

+0.2%

The index for the **'Health'** division went up by 0.2 per cent for the review period. This was due mainly to a 0.2 per cent increase in the index for the group **'Medicines and Health Products'** as a result of higher prices for prescription medicines. Additionally, the index for the **'Outpatient Care Services'** group increased by 0.5 per cent, due mostly to higher fees charged by general practitioners.

The point-to-point rate was 4.6 per cent.

TRANSPORT

+0.2%

There was a 0.2 per cent increase in the index of the **'Transport'** division. This was largely due to a 0.9 per cent increase in the index of the group **'Operation of Personal Transport Equipment'**, primarily due to higher prices for petrol. Additionally, there was a 0.1 per cent increase in the index for the group **'Purchase of Vehicles'** due to increased prices for motor vehicles.

The point-to-point inflation rate was -0.3 per cent.

PERSONAL CARE, SOCIAL PROTECTION AND MISCELLANEOUS GOODS AND SERVICES

+0.3%

The index for the division **'Personal Care, Social Protection and Miscellaneous Good and Services'** increased by 0.3 per cent. This was attributable to increased prices for some personal care products and services.

The point-to-point inflation rate was 3.5 per cent.
