JUNE 2026

INFLATION AT A GLANCE

All Jamaica	0.8%
Greater Kingston Metropolitan Area	0.9%
Other Urban Centres	0.9%
Rural Areas	0.7%

ALL JAMAICA MONTHLY MOVEMENTS:

MONTH	YEAR	(%)
June	2026	+0.8
May	2026	+1.6
April	2026	-0.3
March	2026	+0.3
February	2026	-0.9
January	2026	-0.8
December	2025	+1.3
November	2025	+2.4
October	2025	+0.7
September	2025	+0.8
August	2025	+0.3
July	2025	+0.3
June	2025	-0.3

The All Jamaica Consumer Price Index (CPI) increased by **0.8 per cent** for June 2026. The main contributor of the monthly inflation rate was a 4.3 per cent increase in the **'Transport'** division, primarily due to an 8.0 per cent increase in route taxi and hackney carriage fares. Additionally, the index for the **'Food and Non-Alcoholic Beverages'** division increased by 0.7 per cent, primarily as a result of a 2.9 per cent increase in the index for the *'Vegetables, tubers, plantains, cooking bananas and pulses'* class. This increase was attributable to higher prices for several agricultural products, including carrots, cabbage, onions and sweet peppers. Also contributing to the monthly inflation rate was a 0.5 per cent increase in the index for the **'Housing, Water, Electricity, Gas and Other Fuels'** division, driven mainly by higher household rental costs and electricity rates.

The point-to-point inflation rate as at June 2026 was **6.7 per cent**.

CPI Divisional Monthly Movements June 2026

FOOD AND NON-ALCOHOLIC BEVERAGES

+0.7%

The index for the **'Food and Non-Alcoholic Beverages'** division rose by 0.7 per cent. This resulted from a 0.6 per cent increase in the index for the 'Food' group and a 2.5 per cent rise in the index for the 'Non-Alcoholic Beverages' group. The movement in the index of the 'Food' group was mainly attributed to the class *'Vegetables, tubers, plantains, cooking bananas and pulses'*, which recorded a 2.9 per cent rise in its index. This resulted from higher prices for agricultural produce, such as carrots, cabbage, onions and sweet peppers. However, there were lower prices for green bananas, ripe plantains and sweet potatoes, which tempered the movement of the class. Most of the remaining classes within the group increased, notably: *'Cereals and cereal products'* (0.5%), *'Meat and other parts of slaughtered land animals'* (0.6%) and *'Fish and Seafood'* (1.2%). In contrast, *'Fruits and nuts'* was the only class to record a decline in its index, falling by 5.0 per cent, reflecting lower prices for produce such as melon, pineapples and ripe bananas.

The 2.5 per cent movement in the index for the 'Non-Alcoholic Beverages' group was influenced mainly by a 3.9 per cent increase in the index of the class *'Water, Soft drinks, and Other non-alcoholic beverages'* and a 2.5 per cent rise in the index for the class *'Fruit and vegetable juices'*.

ALCOHOLIC BEVERAGES, TOBACCO AND NARCOTICS

+1.2%

The index for the **'Alcoholic Beverages, Tobacco and Narcotics'** division increased by 1.2 per cent for June 2026. This movement was due chiefly to a 1.3 per cent increase in the index for the group 'Alcoholic Beverages'. All classes within the group recorded increases in their index. The class *'Spirits and liquors'* registered the largest increase, 2.6 per cent, followed by *'Beer'* and *'Wine'*, each of which increased by 1.0 per cent. The index for the 'Tobacco' group rose by 0.9 per cent, influenced by higher prices for cigarettes.

CLOTHING AND FOOTWEAR

+0.3%

There was a 0.3 per cent increase in the index of the **'Clothing and Footwear'** division for the review period. The main contributor to this movement was a similar 0.3 per cent rise in the index of the 'Clothing' group, influenced by higher prices for various garments. The index of the 'Footwear' group increased by 0.1 per cent.

HOUSING, WATER, ELECTRICITY, GAS AND OTHER FUELS

+0.5%

The index for the **'Housing, Water, Electricity, Gas and Other Fuels'** division rose by 0.5 per cent. This resulted from higher household rental costs and electricity rates, which led to increases for the groups: *'Imputed Rentals for Housing'* (1.0%), *'Actual Rentals for Housing'* (1.4%) and *'Electricity, Gas and Other Fuels'* (1.0%). Moderating the increase in the division was a 3.2 per cent fall in the index of the 'Water

Supply and Miscellaneous Services Relating to the Dwelling' group due to lower water and sewage rates.

FURNISHINGS, HOUSEHOLD EQUIPMENT AND ROUTINE HOUSEHOLD MAINTENANCE

+0.2%

There was a 0.2 per cent increase in the index for the **'Furnishings, Household Equipment and Routine Household Maintenance'** division. The largest increases were for the groups, 'Tools and Equipment for House and Garden' (0.6%) and 'Household Appliances' (0.5%). All the other groups recorded a 0.2 per cent upward movement in their index, except for the 'Goods and Services for Routine Household Maintenance' group, which increased by 0.1 per cent.

HEALTH

+0.2%

The index for the **'Health'** division rose by 0.2 per cent. This was due primarily to a similar increase in the index for the group 'Medicines and Health Products', as a result of higher prices for some over-the-counter and prescription medicines. The index for the 'Outpatient Care Services' group increased by 0.5 per cent, as there were increased fees for dentists and ophthalmologists.

TRANSPORT

+4.3%

There was a 4.3 per cent increase in the index of the **'Transport'** division. This was primarily attributable to a 6.2 per cent increase in the index of the *'Passenger transport by road'* class, which resulted from an 8.0 per cent increase in route taxi and hackney carriage fares, effective June 2, 2026. Additionally, the index of the *'Fuels and Lubricants for personal transport equipment'* class increased by 1.7 per cent, driven primarily by higher petrol prices.

RECREATION, SPORT AND CULTURE

+0.1%

The index for the **'Recreation, Sport and Culture'** division increased by 0.1 per cent. This movement was impacted mainly by a 0.1 per cent increase in the index for the group 'Newspapers, Books and Stationery' as a result of increased prices for textbooks and stationery.

PERSONAL CARE, SOCIAL PROTECTION AND MISCELLANEOUS GOODS AND SERVICES

+0.2%

The index for the division **'Personal Care, Social Protection and Miscellaneous Goods and Services'** increased by 0.2 per cent. This was due primarily to price increases for some personal care products and services such as deodorants, bath soaps and haircuts for males.

CPI Point-to-Point, June 2025 - June 2026

The point-to-point inflation rate for June 2026 was 6.7 per cent. This was primarily due to increases in the index of the divisions: **‘Food and Non-Alcoholic Beverages’** (9.8%), **‘Transport’** (7.3%) and **‘Housing, Water, Electricity, Gas and Other Fuels’** (3.5%).

For the **‘Food and Non-Alcoholic Beverages’** division, the increase in the index was mainly driven by a 14.5 per cent increase in the index for the *‘Vegetables, tubers, plantains, cooking bananas and pulses’* class, and a 34.2 per cent increase in the index for the *‘Fruits and nuts’* class. Within the *‘Vegetables, tubers, plantains, cooking bananas and pulses’* class, price increases were recorded for some agricultural produce, such as yellow yam, cabbage, tomatoes, and green bananas. Similarly, the increase in the index for the *‘Fruits and nuts’* class mainly resulted from higher prices for ripe bananas, oranges, watermelon and dried coconut. Other classes that recorded increases in their index were: *‘Fish and Seafood’* and *‘Meat and other parts of slaughtered land animals’*, which rose by 12.6 per cent and 6.1 per cent, respectively.

The increase in the index for the **‘Transport’** division was primarily attributable to a 6.2 per cent increase in the index for the *‘Passenger transport by road’* class due to the 8.0 per cent increase in route taxi and hackney carriage fares, which took effect on June 2, 2026. Additionally, there was a 15.9 per cent upward movement in the index for the *‘Fuels and Lubricants for personal transport equipment’* class, resulting from increased petrol prices.

The movement in the index for the **‘Housing, Water, Electricity, Gas and Other Fuels’** division was mainly due to a 5.0 per cent increase in the index for the group *‘Imputed Rentals for Housing’*, resulting from higher household rental costs. Additionally, the index for the *‘Water Supply and Miscellaneous Services Relating to the Dwelling’* group increased by 3.6 per cent due to higher water supply and sewage rates.
